Color of Hope

White is a color often used during the Easter season. White can mean hope and new life. What is white in your worship space today?
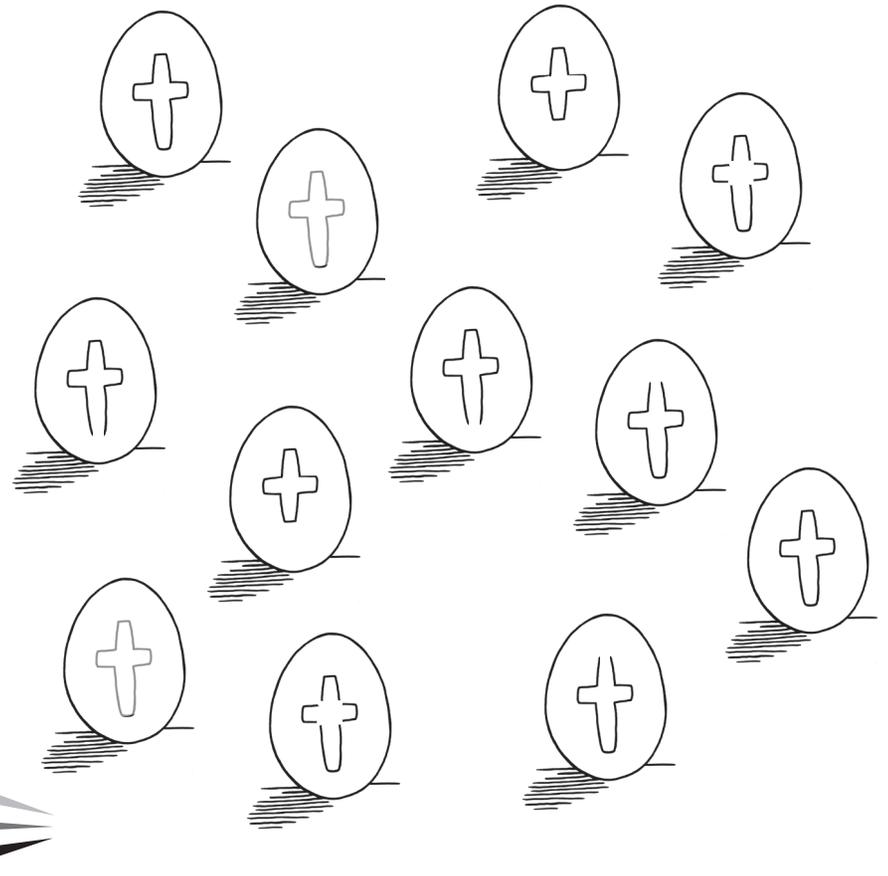

Draw or write below.

- Today is **Easter Sunday**.
- On Easter, we celebrate that **Jesus is risen**!
- The symbol for Easter is a **cross**.
- Jesus died on the cross, but now he is **alive**!

Jesus Has Risen!

One symbol of easter is a cross. Another symbol is an egg. Can you find all the matching pairs of eggs below? There are enough to make a dozen.

Unscramble the letters to read the Easter message.

But he said to them, "Do not be **mdraale**; you are **oinlkog** for **ssuje** of Nazareth, who was **icrficued**. **eh** has been **rsaied**; he is not here. **olok**, there is the **apecl** they **dial** him." Mark 16:6

Surprises!

When Mary arrived at the tomb on Sunday morning, she was surprised to see it empty. What surprises have you experienced? What surprises you about God?

Around the tomb, draw a few surprises in your life. Inside the tomb, draw or write what surprises you about God.

Memory Verse

Look It Up!

After Jesus rose from the dead, he visited lots of people. Look at the list of people below. Number the groups in order of Jesus' visit to them. Look up Paul's account of this time in 1 Corinthians 15:1-11 for help.

Jesus appears to each of us when we share the good news!

The Gospel of Mark has two endings. The earliest manuscripts end Mark at 16:8. Some versions continue through 16:20. Check out Mark 16:9-20 to read the longer ending! What do you think of that?
